## Minutes of the Previous Meeting:

## Treasurer's Report:

The Board approved the report.

## Rules Committee Report:

- **REMINDER:** Pinch runners from home plate cannot advance past 1B no matter what transpires on the play.
- Infielders must start within 10-feet of the infield white line at Mise & within 10-feet of the infield dirt at Arcadia in order to throw a batter-runner out at 1B.
- Once a base runner crosses the "Commit Line" (30-feet from home plate), he cannot return to 3B, even if he missed 3B in his scoring attempt. Before the first pitch to the next batter, the team in the field can simply appeal the play. The runner has no recourse but to accept the umpire's (in this situation the base coach's) decision.

## Old Business:

- **Defibrillators:** We need to check if there are defibrillators at Arcadia. Defibs are present at Mise and Hamman.

---

## New Business:

- **Monthly Members:** The Board approved Monthly Members' Dues be increased from \$10 to \$15. Please note: Monthly dues are only for people who are in for a short time, such as, spending the summer here, etc.
- **1:1 Count:** Weekday League managers will poll players to gauge sentiment for starting AB with 1:1 count. Saturday League already has instituted 1:1 count.

- **Monday Night League:** Dennis will send an email to all Players to gauge interest in starting Monday Night League. We are asking for commitments. We always have plenty interested but need people who can come out at least half the time.
- **Saturday League Fields:** Efforts are ongoing to secure fields for Saturday play beyond Feb. 2022.
- **Dues – No Pay, No Play.** Managers will contact players who still owe dues for 2022. Saturday players who still owe \$50 supplement have been given 2 week grace period to pay.

### **League Commissioner's Reports:**

**Fun League:** Nothing to report.

**Tuesday/Thursday Leagues:** Nothing to report.

**Saturday League:** Nothing to report.

**Weeknight League:** Nothing to report.

The Board voted to adjourn at 8:27 pm, PST.
